New Globe Logistics,

Dear Ms. Padma,

On Behalf of INDO-MIM, it is my pleasure to thank you for the excellent services rendered by your organization while importing one of our important raw materials from Germany.

As we told you earlier, we are using this material for one of the special medical equipments and it is a strict time bound project. We did not have any room for the delay in our entire project plan.

Without your excellent support, on time responses & fast delivery, we could not have achieved our internal targets, thus our management is very proud of your service.

We look forward to have more & more business relations in future with your organization;

Once again, thanks so much for extending your support,

Thanks & Regards,
