

STRONGER TEAM FOR 2018.

Newglobe had annual get together of employees from 1st to 3rd December at an serene offsite resort amidst nature in Nasik city (approx 160 kms away from Mumbai city)

It was that time of the year meant only for fun, frolic and fiesta. Days were set for several team building activities with loads of indoor and outdoor games and nights were all set for music. It was apparent from the outset that the atmosphere was happy, friendly and totally festive!

All of us at Newglobe, avail this opportunity to wish our valued clients and partners,

Merry Christmas and
a very successful 2018.
