Change your thoughts and you change your world.... Norman Vincent Peale

Dear Valued Partners,

New Globe held its strategy meet at Lonavala -15th Feb'13 to 17th Feb'13

New Globe Logistik Pvt. Ltd. recently held its strategy meet at an offsite location –Lonavala, giving opportunity to people to work and interact away from office. Strategy meet focus was on the New Globe values -Team Work, Customer Focus, Commitment, Continuous Improvement & Fun.

Session were held by the team covering application of New Globe values in day to day working and broad strategies for growth and development

Floor was open for all to share new ideas to strengthen our business and growth, improve our relation with our clients and enter new markets.

The meeting was a big success and there were lot of learning and insights giving us strategic direction for the coming months

Clients & our agents can expect service enhancement & reciprocal business through better IT solutions & service commitment
