It always is a pleasure to share some of our latest news with you.

New Globe takes part in “Germany to India” by road

New globe handled the logistics pertaining to **2 BMW bikes** driven all the way from Hamburg, Germany to Mumbai by road **covering 68,000 km.**

The riders Mr. Meyke Florian & Mr. Pasche Jens - weekend backpackers and were doing this type of a trip for the first time.

They had contacted many Multinationals at Origin (Hamburg) for handling this shipment to India & back to Germany by airfreight once they concluded their journey here.

We were **selected out of 200 agents** to handle this personal journey and precious cargo.

The bikes were BMW - 1200CC bikes with a petrol tank of 35 litres each.

They travelled through to Turkey and entered Iran and from there to Pakistan and entered India through the Wagma Border entry. And from there they travelled to Srinagar, Kulu, Leh, Ladak, Manali before going to Goa and then coming to Mumbai.

Total trip took around 45 days in which they used to drive about on some days for 2 hours and on some days upto 10 hours.

We at newglobe wish the riders , Meyke & Pasche a safe flight back home to be reunited with their families & amazing memories
