New Globe/ILG moves project shipment for Indian Air force

New Globe

"SIMPLIFYING LOGISTICS"

New Globe along with its partner ILG -Slovenia handled project movement of 192 aircrafts (Pipistrel Microlights)–Picture above from Slovenia for Indian Air Force.

The project involved intense co-operation between ILG - Slovenia and New Globe –India, carrying out paper work, security and specialized handling given the nature of the consignment.

We feel immense sense of pride and honor in jointly handling & delivering the project to complete satisfaction of the Indian government
