*Simplifying logistic .*

The main topic of the conference was responding to shippers' needs for time-critical airfreight transport and on JIT delivery.

The services New Globe Logistik covered were

**Perishable /  
Dangerous Goods**

**AOG**

**Pharmaceuticals**

**Cold Chain**

bringing out experience for In/Out of India to the global scene.

The general conclusion of Ashwin's meeting with delegates was that mainly every shipment in today's market, is a potential time critical shipment and that all companies need to be up to date even more with procedures and technological aspects to make these deliveries reality.
